When we're out, we're always asked if we are more than friends. 'Not yet,' we always say, with a wink. But we're kinda looking forward to it. Little do they know, and little do we say about our relationship. It's good to have some privacy for our own sanity. But when we are alone, we just love to fuck and suck!

Don't you think kissing is the best way to get started? There's nothing sexier or a bigger turn on than a guy who knows how to kiss. If he's a good kisser and patient with me, I just might let him kiss me a little down lower. I can get wet just by good kissing. When I'm ready, dripping wet and can't wait for it any longer, I'll grab the guy's cock and stick it into my pussy. He'll know that I want him to fuck me.

The tops of Donna's ample tits strained against the fabric of her shirt, making me think all manner of dirty thoughts.

The late truck had put me behind schedule, making it impossible to keep my lunch date with Kristen.

Ours was a standing date; every Saturday, without fail, I would meet my girlfriend for a bite to eat then, more often than not, we would boogie on over to the park for a quickie in the back of my van.

Fun times . . .

Still, we hated working weekends.

Thankfully, the used bookstore where she worked was just down the block from the supermarket where I toiled in the produce department. A typical Saturday morning found me picking Kristen up at her dorm then dropping her off at work before heading on to my job.

But after clocking in, this Saturday became anything but typical. The blasted truck had thrown everything out of whack. I was behind schedule, way behind, and

it wasn't until almost three that I was finally able to take my lunch break.

Having retired to the stockroom, I looked gloomily at the mound of empty cardboard boxes yet to be hauled to the dumpster. Those boxes represented a lot of

point afforded me a spectacular view down the top of her work polo. The tops of Donna's ample tits strained against the fabric of her shirt, making me think all manner of dirty thoughts.

"I guess," she said, "I'll just sit in my car and smoke."

Nice melons, those cantaloupes. But nothing compared to Donna's.

She turned in her seat, regarding the rear of the van. "Wow. You could practically live in this thing."

"I don't know about live," I

back breaking work on my part. But most of the produce bins out on the floor were full; that was the most important thing. Now I could coast until quitting time at six.

I clocked out for my ridiculously late lunch, sighing and shaking my head with dismay.

"You too, huh?"

The voice game me a start. I whirled around to see Donna, the new checker, standing behind me.

"Afraid so," I told her. "I probably won't eat though. It's too late for lunch, too early for supper."

Donna leaned over the computer to clock out. My vantage

"Same here," I replied.

We exited via the back door, walking around to the employee parking area on the side of the store.

"Nice ride," she said as I reached my van.

"Thank you." I unlocked the door and climbed behind the wheel. "Feel free to join me."

Donna smiled. "I think I will."

Sitting there in the van with Donna beside me, I struggled to maintain eye contact. Those spectacular tits of hers were like a beacon for my gaze, a powerful magnet I was powerless to resist.

I thought of the cantaloupes I had handled earlier that day.

said, "but I have been known to sleep back there . . ."

Donna eyed me suspiciously. "Sleep?"

I laughed. "Among other things."

"Other things, huh." She maneuvered her hand around the stick shift and placed it on my thigh. "Like what?"

It was the most tantalizing rhetorical question I had ever fielded in my life. As for my answer—well, let's just say that it was of the nonverbal variety. Donna, I knew, didn't want to talk.

She wanted to fuck.

And I did, too; especially since Kristen and I had had to forgo

our usual lunchtime bang.

It came as no surprise when Donna, having proceeded me to the rear of the van, removed her shirt and bra first thing. She knew those tits of hers were her finest feature, knew the mere sight of them would give me an instantaneous boner with which to plow her pussy.

But Donna surprised me when I tried to fuck her on the camper bed. "Sorry, this pussy is reserved

Still down on her knees, she wriggled between my knees and put those magnificent jugs to work.

My cock fit nicely between them. Donna squeezed her tits, making for a snug fit, as she moved them up and down, pumping and priming me. I had fucked titties before, of course, but never like this.

"That's it," she uttered. "There you go—fuck those big titties—fuck 'em good—oh yeah—your cock is so hard—"

I grunted loudly and sprayed her with spunk. My cock throbbed between her tits, pulsing and spasming as it spat, adorning Donna's face from chin to hairline.

"What a mess." She dug inside her purse for a napkin.

I lay there on the camper bed as she wiped my cum from her face, already feeling guilty about cheating on my girlfriend.

The guilt became unbearable soon enough. After picking up

for my boyfriend."

I was nonplussed.

"It's okay," she said. "We can do other fun stuff."

No sooner had the words left her mouth than she dropped to her knees and started sucking my cock. She gave good head, Donna did, incorporating my balls, stroking me with her hand while licking and lapping my nut bag.

Undoubtedly sensing my release, she eased up and had me sit on the edge of the camper bed.

Donna's lewd talk heightened my excitement; I had to concentrate mightily to keep from blowing my wad prematurely.

This proved quite the challenge when she spat on the head of my cock and pressed her tits together for an even tighter fit. She was relentless, manipulating her slick, warm cleavage up and down with increasing speed, all but demanding that I pop off in her face.

And that's exactly what happened.

Kristen at the bookstore, I was driving her back to the dorm when she inquired about my day.

"Dull," I lied, my hands on the wheel.

"Did the fresh melon come in? You know how much I love fresh melon—honeydew—watermelon—cantaloupe."

Shit, I thought, this is torture.

"Baby, I have something to tell you..."

Then I confessed the whole damned thing!

GIRLS NEXT DOOR

ANDREA

Don't let this sweet innocent face fool you. I'm all woman with needs that my ex just couldn't satisfy. Oh yeah, he tried and he tried but he just wasn't enough for me. The first time I cheated was with his best friend. The second time was with his boss and that's when he found out. That was the beginning of the end for us. Now I see it as a good thing. My brand new start is happening now, and with this guy.

OLIVIA and BROWN SUGAR

Olivia and Brown Sugar have been friends for a long time. Longer than either one can remember. They've done all sorts of things together, but cheating on their hubbies seems to be one of their favorite past times. Olivia likes it in her ass and Brown Sugar likes a good mouth fucking. But, between the two of them. When they're together, it's a long slow trip down each other's bodies. Poor hubbies sitting alone at the sports bar!

AIMEE

Ever since I got my boob job, guys have been looking at me differently. At first I didn't really notice, but as time went on I noticed more and more stares at my chest. That kinda made me feel better so I started wearing low cut blouses and dresses. But my man didn't like that even though he was the one that paid for them. The person that complimented me the most was his brother. You'll never guess who I took these pictures with?

800-607-4437 OVER 18 TO CALL

Fucked by a Stranger

I sat perfectly still in the cool basement of the resort hotel, waiting behind a partially open door at one end of a darkened hallway. I'd been in my position for nearly 10 minutes; during that time no one had come through the narrow, cement-walled basement.

Above me, stretching six stories into the air was the hotel in which my wife Jenna and I had spent the past three days. It was off-season and we practically had the entire 200-room hotel to ourselves. There is something wonderful about this type of near-total solitude. Mainly, you can do just about whatever you please without anyone knowing precisely what Jenna and I had in mind.

A gorgeous woman with a very active sexual imagination, Jenna had taken only a few short steps into the basement on an exploratory tour of the building to create a wild fantasy that she wanted to live out. It was all very simple: I was to wait for her, keeping in the shadows, and when Jenna walked through the basement, I was to abduct and have sex with her.

Five silent minutes passed. My hands were becoming cool from pressing against the cold, bare floor of the empty storage room in which I hid. I didn't mind, though, because my cock was tingling and throbbing excitedly in anticipation of what was about to take place. And the saliva that streamed through my mouth did so with a taste for kinky pleasure.

A door at the opposite end of the basement opened.

I listened. Footsteps... the gentle, cautious, yet loud sound of high-heeled shoes. The door shut, gently; she was trying to remain quiet, undetected. Silence.

Another step, still cautious. Then another, this one surer. A door opened, a different door, one with squeaking hinges. The door closed. More footsteps.

I assumed it was Jenna but I didn't dare look to make sure, for fear of surrendering my element of surprise. Jenna knew I'd be down in the basement stalking her, but where?

Now the walk was continuous; there was no more checking of doors, just a steady click of high heels against bare cement. And the footsteps were coming closer. I drew myself up onto my knees, ready to spring through the partially open door behind which I hid.

The figure passed my door. I saw the long flow of blonde hair that was unmistakably Jenna's. The steps of my sneakers over the concrete were silent and my motions were so quick that I pushed open the door and grabbed Jenna from behind before she could even react.

My right hand wrapped over her mouth, silencing the scream that I knew she would cry out with. Once Jenna and I began our games, we were no longer husband and wife; we would completely become the characters of our fantasy scenario. Now, I was the stranger and Jenna was the victim.

BLAIR-NTS-00

Jenna tried desperately to bite my pressing hand, but my left hand grabbed the full mane of her blonde hair tightly. "Quiet," I warned. "Do as I say and you won't be harmed. If not ..."

Jenna whimpered as I released her hair, grabbed her beneath her armpits and dragged her backward into the storage room where I'd set my ambush. She became dead weight.

"What are you going to do with me?" she gasped, as I dropped her to the cold floor. The hem of her gold satin dress hung unevenly around her mid-thigh, exposing the long, lean length of her tanned legs.

"Whatever I want," I smirked.

"Oh God, no," she gasped.

My hand covered her mouth, cutting off her scream. I pushed her head back into an empty cardboard box that was lying crookedly in the corner. Straddling her waist with my legs, I bent forward and hissed nastily into her ear, "That little prank will cost you."

Her blue eyes signaled panic as my hand quickly yanked the left shoulder of her dress down her arm. I tugged at the thin shoulder strap until the material ripped, and then I forced the front of her dress from her surging, braless left tit. I grabbed her exposed breast. Her nipple hardened instantly. She cried, protesting into the smothering flesh of my hand that remained over her mouth.

"Enough noise," I said harshly. I picked up a piece of the ripped material from her dress from the floor beside her and stuffed it into her mouth, tying it tightly behind her head. With my forearm pressing into her sternum, I held her upper body down while my hands got into her dress, lifting the satin hem up above her waist and pulling it from beneath her ass so her naked flesh pressed against the cold cement floor. The chill brought a rash of gooseflesh all over her legs as her

thighs pressed together; trying to protect what she knew I was after.

I grabbed her upper thighs. "Open them," I ordered, still pinning her upper body with my forearm. She shook her head in denial.

"Open them!" I whispered sternly, this time forcing a knee between the crack of her pressed-shut legs. With that wedge, I released her shoulders and pried for her cunt with groping fingers that scraped across the soft flesh of her thighs. Finally I could feel my fingertips tracing over the soft curl of her bush as the hot juices from her excited pussy flowed hotly onto the lips of her labia.

As usual, the game had primed her beyond belief. Kneeling between her open legs, I spread them as far as they'd go and lifted them upward, forcing her down on her back. The rich, earthy scent of her flooding cunt rose thickly into my nostrils.

"Yes, yes," I sighed, plunging my mouth into her cunt, lapping the juices with my flashing tongue, pressing my tongue stroking hard over her clit, which bulged with passion. She was panting. Her gasps were audible through the material that I'd stuffed into her mouth that her hands didn't remove because of the pleasure that was sweeping like fire through her loins.

Just when she seemed ready to come, I pulled my mouth away. Her eyes looked at me with desire; she wanted me to continue. Instead, I pulled her to her feet and stripped her totally naked. Her gag still in place, I gently tied her arms above her head, securing her wrists to a heavy drain pipe. Only her legs could move, shifting back and forth freely yet powerless to free her from her shackles.

I watched her naked body twist vulnerably in the dimness of the cold room. My cock pounded for her, urging me to take her, to rape her cunt with unrestrained fury, to shoot my wad all through her pussy. But instead I left

her hanging naked, defenseless—just as she wanted me to do.

I walked from the storage room, leaving the door open behind me as I walked slowly toward the stairs at the opposite end of the hallway. I could hear her calling my name in muffled protests of disbelief. If anyone happened to come down to the basement, they'd find her... and she would be theirs. There was nothing she could do to stop some horny workman from kneading her tits, poking his dirty fingers up her cunt, spreading open her legs and jamming her full of his cock. I'd leave her to think about that for a while.

I wondered what was going through her mind when I stepped back into the basement more than 10 minutes later. I'd changed shoes, stepping into a pair that would click noisily; no longer would there be the silent tread of my running shoes. Would she think it was me, or another man—someone who would take advantage of her? It didn't matter what she thought. What counted was that she wouldn't know who was coming until she actually saw me. Let the suspense work on her and spark a fire between her legs like a hard cock.

I slowed my pace as I neared the room in which I'd left her. Suddenly, I was in suspense. What if someone else had found her? What if, when I stepped into the room and see her legs propped up on crates, her pussy spread open, spent cum dripping from between her legs, the mark of a now gone fuck.

Her eyes were on fire as I stepped into the room. Passion burned so brightly in her eyes that I was nearly blinded. Her thighs were pressed tightly together, trying to churn her pussy to a masturbatory orgasm. The wait had done wonders for her; now her pussy streamed so thickly with wetness that the insides of her thighs were slicked with juices.

All she watched was my cock. That's what she wanted

now, that's what this buildup had been all about. I began releasing her arms; those fiery eyes followed the path of my obviously hard dick beneath the crotch of my pants, as though drawn by a magnetic force.

I laid her down on top of her discarded dress and pulled open her legs. She was willing now, a surrendering "victim," so I pulled the material from her mouth and threw it aside. She held her arms by her sides, panting, and working loose the cramps in her jaws. Then she pulled up her knees, giving me the full, deep plunge into her cunt that she knew I wanted.

I pulled off my pants and hung them on the door-knob, locking the door at the same time. I came back to her in the near-total darkness, concentrating on the long stretch of her spreading thighs. My dick danced from the throb of my pulse as I settled my weight down on top of her, rubbing the length of it over the wetness that had come flowing over her inner thighs.

My fingers forced apart the hot, wet lips of her cunt and my cock rammed a hard, full thrust all the way into her body. Her cries were of lust now, not protest, as the final act of our little passion play began, where the stranger wins over his victim and fucks her to a fantastic climax.

"Don't stop. Don't stop!" she moaned, ready to come.

My cock responded to our foreplay and I was also ready to shoot my scalding load, having long since felt the excited heat of aroused semen dripping into my pants. As my cum spewed into her and we both began screaming with passion, my mind flashed back through the fantastic fantasy we'd acted out—my waiting, stalking, stripping, abandoning, and now fucking Jenna, my wife.

It might be a difficult act to follow, but as always Jenna and I would find a way. There are tons of other games to play and parts to act out.

I've got this fuck buddy Alex. He's a bit older than me, but I don't care. He really looks after himself. We hook up all the time and he always fucks me real good. The best part about doing the nasty with him is that he's not selfish. He's really into getting me off - he says it turns him on - so when we have sex, it's usually all about me.
